### **Vision:**

Our objective is to be the best remanufacturer in our industry, exceeding our customers' expectations and providing solutions.

### **Core Values:**

**Passion:** We believe in our company and our industry. Every day we look for new opportunities to continue our growth and profitability. It is our responsibility as a leader and to provide solutions and answers when others fail.

**Innovation:** Is only achievable when we realize the failures of and achievements of our

industry. That's why we constantly look for innovative ways to combine our quality and service with other industries who are leading the way. *"Art begins in imitation and ends in innovation"*  
--Cooley

**Customer Service:** We place our Client first and Community above ourselves. We are dedicated to our mission, and pride ourselves on our exceptional responsiveness to the needs of our customers.

**Personal Integrity:** We uphold the highest standards of conduct. We seek and speak the Truth-to our contemporaries and to our Clients. We honor those partners who have showed extra-ordinary abilities in service and community giving.

**Team Excellence:** We hold ourselves -and each other-to the highest standards. We embrace personal accountability. We constantly refine our performance to achieve the apex of professionalism. Our strength lies in our employees, their depth of knowledge and expertise allows Thibado to deliver the best service and finest products at unsurpassed value
